Duncan becomes Vice President

Eight administrative appointments involving four MSU alumni have been announced by Morehead State University President Adron Doran.

Dr. John R. Duncan, dean of graduate programs at MSU since 1969, was named vice president for academic affairs and dean of the faculty. He succeeds Dr. Paul Ford Davis who resigned to return to full-time teaching at the university.

Dr. Gene W. Scholes becomes dean of academic programs, a position created by consolidation of the graduate and undergraduate deanships.

Dr. Charles M. Derrickson was appointed dean of the School of Applied Sciences and Technology. He had served as acting dean since mid-May and as head of the Department of Agriculture since 1965.

Dr. G. Douglas Minion, a former faculty member, returns to the campus to succeed Derrickson as agriculture chairman. Dr. Minion spent the past year with the Alberta, Canada, Department of Agriculture.

Dr. Reedus Back, professor of education, has been named assistant dean for graduate programs, succeeding Dr. Palmer Hall who retired.

Rondal D. Hart, former director of

University Breckinridge School, now is assistant dean of institutional services.

Frank C. Burns, former associate director of school relations, replaces Hart as director of Breck, MSU's laboratory school.

Charles R. Gilley was appointed acting director of the TRIO Program. He replaces Mrs. Wanda Bigham who was granted a one-year leave of absence for additional graduate study. Gilley, an MSU graduate, previously served as the agency's outreach coordinator.

Dr. Duncan, who also served as the University's director of admissions, holds bachelor's and master's degrees from MSU and a doctorate from Indiana University. He is a long-time member of the Executive Council of the MSU

Alumni Association.

Dr. Scholes, a graduate of Eastern Michigan University and the University of Michigan, came to the University in 1970 as director of institutional research. He served as assistant to the president before becoming dean of undergraduate programs in 1974.

Alumni awards go to 4 Kentuckians

A political leader, a television personality and two academic administrators received the top recognition at MSU's annual Alumni Awards Banquet.

W. Terry McBrayer, former administrative assistant to Gov. Julian

Carroll, was presented the Governmental Service Award for his work in state government. A former president of the Alumni Association, the Greenup native is a 1959 graduate of the University.

Dale D. Greer of Louisville, host and associate producer of "The Morning Show" on WAVE-TV, received the Public Service Award for his efforts in broadcast journalism. His 13-year career has included service in South Vietnam as a war correspondent. He also is an MSU graduate.

Dr. Charles Derrickson, now dean of the School of Applied Science and Technology, accepted the Distinguished Faculty Member Award. The Michigan State graduate was appointed to the faculty in 1965. He headed the Department of Agriculture for 10 years.

Chosen as the 1975 recipient of the Outstanding Alumnus Award was Robert R. Allen, academic dean of Prestonsburg Community College and an associate professor of English. He has three MSU degrees, including two master's.

Pictures of the award presentations appear elsewhere in this issue of CONTACT.

GREENUP COUNTIAN HONORED . . . W. Terry McBrayer, right, former executive assistant to Gov. Julian Carroll and chairman of Kentucky Board of Tax Appeals, accepts the 1975 Governmental Service Award of the Morehead State University Alumni Association. Making the presentation is MSU President Adron Doran. McBrayer, now a Lexington resident, is a former president of the Alumni Association and a former state representative from Greenup. He also holds MSU's Public Service and Outstanding Alumnus awards.

Faculty teams visit

Morehead State University's long tradition of service has added another dimension of support for the secondary schools of Kentucky — faculty visitation teams.

The University's faculty members spend a day teaching classes in area high schools. The classes may supplement and enrich what is currently being done by the teacher in the classroom or be of special interest to the students.

This program gives MSU faculty members an opportunity to visit and work with their associates at the secondary level as well as giving high school students an opportunity to be exposed to college professors.

About one-half of MSU's 350 faculty members have participated with visitation teams.

In all, MSU faculty members are prepared to present nearly 500 different programs of interest to high school students.

Dean Lappin dead at 74

Funeral services were conducted Saturday, Aug. 9, for Dr. Warren C. Lappin, retired academic vice president of MSU.

The 74-year-old educator died Aug. 6 in a Morehead hospital following a brief illness.

A memorial scholarship in Dr. Lappin's name has been created at the request of his family. Contributions should be directed to the Alumni Association.

A former mayor and city councilman of Morehead, the Eureka, Ill. native twice served as acting president of the University. He came to MSU in 1923 and retired in 1971 after serving as dean of the faculty since 1940 and vice president

for academic affairs since 1966.

He was a graduate of Transylvania, the University of Chicago and Indiana University.

Dr. Lappin was a member of the Morehead Mens Club and the Morehead Christian Church. Survivors include his wife, Mrs. Ruth Lappin; a daughter, Mrs. Mary Ella Wells of Morehead; a brother, Robert Lappin of Nashville, Tenn.; and three grandsons, all of Morehead.

Floridian heads SGA

Tim Wilson, Sarasota, Fla. senior, State University, is the new president of the MSU Student Government Association.

Wilson, who was SGA Treasurer last year, defeated Don Zenner, Norton, Ohio, junior, in the campus-wide balloting.

Pam Cupp, Cincinnati junior, was re-elected SGA secretary and Mary Meyers, Sciotoville, Ohio, junior, was re-elected reporter.

Other new officers are Jon Stanley, Pikeville sophomore, vice president; Dan Whitehead, Owenton sophomore, treasurer; and Liz Everman, South Shore sophomore, program director.

Dick Robinson heads U.S. Jaycees

Dr. Richard L. Robinson, a graduate of Morehead State University and an executive with Alexander Hamilton Life Insurance Company in Farmington Hills, Michigan, took office July 1 as president of the United States Jaycees. He was elected by 5,000 Jaycee delegates representing every state in the union and Washington, D.C. at the Miami Convention Center in June.

Four candidates, including Robinson, sought the national office. However, he was elected on the first ballot.

His term of office ends June 30, 1976. He governs the affairs of the U.S. Jaycees full time from the official headquarters of the organization in Tulsa, Oklahoma. He is receiving a \$25,000 annual salary and his wife and three children are residing in the Jaycee owned "White House" in Tulsa. The address is 3534 E. 74th St., Tulsa,

Okl. 74136.

In order to fulfill his obligation, Robinson has taken a one-year leave of absence from Alexander Hamilton Life Insurance Company of America, where he serves as director of sales promotion.

The United State Jaycees is a 320,000 organization of young men under 36 devoted to the development of the individual through involvement in various programs designed to improve community life and the lot of the disadvantaged.

Robinson, long active in Jaycee affairs, was vice president of the U.S. Jaycees last year and president of the Michigan Jaycees the year before. As head of the Michigan organization, he was instrumental in increasing membership to an all time high of over 14,000 and leading the state's Jaycees to

Dr. Richard Robinson

a ranking of third place among all states, the highest position ever attained by the Michigan Jaycees. For these achievements, Robinson was selected and honored as one of the five outstanding state presidents.

Born in New York City, reared in Ohio and educated in Kentucky and Michigan, he received a bachelor's and master's degrees from MSU in 1962 and 1963, respectively, and a doctorate in higher education from Wayne State University in 1969.

Prior to joining the Hamilton organization in 1974, Robinson was associated with Oakland University for ten years in various capacities including athletic chairman and associate professor of the school's Orchard Ridge campus.

Mrs. Robinson, the former Christine Lepper of Newport, also attended MSU.

Rammelsberg takes command

When Marvin Rammelsberg assumed the presidency of the MSU Alumni Association a few weeks ago, it was a case of a lineman becoming the quarterback.

Rammelsberg, 44, is coordinator of guidance services for the Cincinnati Public Schools. A former coach, he was an All-OVC football guard at MSU before finishing his bachelor's degree in 1952. He earned a master's from MSU in 1953.

And, after 20 years of active service in the Alumni Association, he plans to be a working president for MSU's nearly 18,000 graduates.

"This is the greatest thing that has ever happened to me in public life and I

Marvin Rammelsberg

hope to make a real contribution to the association and to the university," said the Newport native.

The former Marine Corps officer usually visits the campus about a dozen times a year. He expects to increase that number during his one-year term.

"My top priority will be the recruitment of students," he added. "I feel that all alumni have an obligation to help direct new students to MSU so that the advantages of this fine school will be available to future generations."

Rammelsberg, also president of the alumni M-Club, makes no effort to conceal his deep feelings for MSU.

"If it had not been for Morehead State," he recalled, "I would never have had the opportunity to go to college. Also, I met my wife there."

The new alumni president says he is "very, very proud" that MSU has not lost its personal touch and that it has, in his words, "such outstanding leadership."

"I encourage all of our graduates and former students to remember that they will never be too important or too busy to remember their Alma Mater with a kind word and a generous gift for the scholarship fund," Rammelsberg added.

The veteran educator is married to the former Sharon LaDon Smith of Covington. They have a daughter, Sharri, 10.

MSU coed wins Miss Kentucky

Marsha Griffith

This summer's Miss Kentucky Scholarship Pageant in Louisville had the appearances of a Morehead State University production.

Marsha Griffith of Greenup, a spring graduate of MSU, won the state title and advances to the Miss America Pageant this fall at Atlantic City. She competed as Miss Ashland.

Radean Wiley of Frankfort, a junior at MSU, was the first runner-up. She carried the title of Miss Central Kentucky.

Susan Allen of Morehead, an MSU senior, won the preliminary swimsuit competition. She competed as Miss Rowan County.

Miss Griffith became the third Miss Kentucky in recent years with ties to MSU. Lydia Lewis of Louisville, a 1970 graduate, won the crown in 1973. The 1968 titlist was the former Janet Hatfield of Jeffersonton, now Mrs. Landon Lowman of Ashland, who attended MSU.

Dawson top coach as track revives

With freshmen and sophomores leading the way, MSU's track team claimed second place in the Ohio Valley Conference.

Coach A.L. (Buck) Dawson's thinclads finished with 97 points, a gain of 82 points from last season's last place showing. Dawson was named the league's "Coach of the Year." He is an alumnus of MSU.

"Some say finishing second is like kissing your sister," said Dawson. "But this time I'll be glad to take it."

MSU finished last in 1973 and 1974 and the second place finish is the best since 1957.

Thirteen athletes were responsible for MSU's scoring and all return next year. Seven sophomores, five freshmen and one junior comprise the MSU nucleus for the future.

Freshman Bobby Jones and sophomore Oscar Jones earned positions on the All-OVC team by virtue of winning individual events. Bobby leaped 25 feet, 2 1/4 inches to take the long jump and Oscar won the 220-yard dash in 21.6 seconds. Bobby was named the OVC "Trackman of the Year."

The Eagles established five new school marks during the two-day meet at Eastern Kentucky. Junior Glen Oskin finished second in the javelin with

A.L. Dawson

a throw of 205 feet, 3 inches. Mike Marksbury was third in the shot put with a heave of 54 feet, 1 3/4 inches. Kelvin Kelley finished third in the 880-yard run in 1:51.5. Oscar Jones clocked

14 seconds flat to take second in the 120-yard hurdles.

"In all, we broke seven school records and tied two others this season," said Dawson. "That's not bad for a team of youngsters."

Bobby Jones, in addition to winning the long jump, finished fourth in the triple jump (48 feet, 4 inches) fourth in the 220-yard dash (21.8 seconds); and third in the 100-yard dash (9.4 seconds). The freshman from Lexington set new MSU marks in the triple jump and long jump and tied the record for the 100-yard dash.

Oscar Jones, a sophomore from

Charleston, W. Va. was fourth in the 100-yard dash with a time of 9.5 seconds.

Other MSU scorers were Steve Schertzer, third in the high jump, (6 feet, 7 inches), George Solley, third in the long jump (23 feet, 2 1/4 inches); Marlon Burns, sixth in the 100-yard dash (9.6 seconds); Mike Kelley, second in the 440-yard hurdles (52.8 seconds); Jerry Wyche, sixth in the 220-yard dash (22.2 seconds), Harry Wooddell, fifth in the pole vault (14 feet, 6 inches); Eric Smith, sixth in the discus, (149 feet, 10 inches) and Steve Wyche, fifth in the 440-yard dash (47.9 inches).

Gray returning as coach

One of the most heralded running backs in Morehead State University's football history is returning to MSU as a graduate assistant coach.

Tommie Gray, who earned his bachelor's degree in 1967, will serve on Coach Roy Terry's staff this fall.

Gray returns to MSU from an assistant coaching position at Glenn High School in Birmingham, Ala.

Gray signed a professional contract with the San Francisco 49ers but his career was cut short because of wounds

received in Vietnam.

"We are pleased to have Tommie join our staff," said Terry. "He has a great reputation at MSU and has gained valuable coaching experience on the high school level."

He received the first President's Trophy in 1966 after being named to the All-Ohio Valley Conference team and becoming MSU's only OVC "Player of the Year" in football. He led the Eagles to the OVC football crown that year.

Gray will pursue a master's degree in education.

Baldrige named to staff

Successful high school coach and former MSU standout Bill Baldrige has been named to the MSU football staff.

Baldrige has been coaching Harrodsburg High School where he guided the Pioneers to the runner-up spot in the 1971 Class A State playoffs.

In addition to a four-year stint at Harrodsburg, Baldrige also served one season as an assistant coach at Georgetown College. He has bachelor's

and master's degrees from MSU.

"We are happy to have Bill return," said Terry. "He brings a wealth of football knowledge with him and we expect him to add new dimensions to the program."

Baldrige will coach the defensive secondary this fall. He is married to the former Sara Jane Rather of Morehead, also an MSU graduate. They are expecting their first child in September.

First women's athletic grant awarded

Paula Richardson

Paula Richardson of Owingsville, a track standout at Bath County High School, is MSU's first women's athletic scholarship recipient.

She won the 60-yard hurdles and 110-yard hurdles and finished second in the 220-yard dash in this year's Morehead Regional Track Meet. She was the runner-up in both hurdle events in the Class A state meet.

"We are very pleased that Paula has decided on MSU," said Track Coach Buck Dawson. "She is a fine prospect and will contribute greatly to our growing program."

In addition to her athletic grant, Miss Richardson also will receive a Presidential Honors Scholarship on the basis of her perfect academic standing.

She was coached by Ben Pumphrey at Bath County and is the daughter of Mr. and Mrs. James Richardson of Owingsville. Her father is an MSU alumnus.

TENNIS TYKE . . . Nine-year-old Bryan Dudley of Cincinnati swats a tennis ball during Morehead State University's annual Boys All-Sports Camp. He is the son of MSU graduate Mike Dudley, a golf professional and former MSU golf coach. The university also conducts summer camps in golf, basketball and tennis. Details are available from the Department of Athletics.

Inscape gets award

"Inscape," a literary publication of Morehead State University's Division of Languages and Literature, has received a cash award from the Kentucky Arts Commission.

The judges cited a general improvement in literature, layout and art work as reasons for the \$150 prize.

Dr. Marc Glasser, assistant professor of English, is the publication's faculty advisor.

LOCKER ROOM LAB . . . Judy Dunn of Versailles received plenty of practical experience in her study of athletic training. Teaching her the techniques of ankle taping was MSU Head Trainer, Ray Mullins. Her "patient" was Arch Johnson, captain of the MSU basketball team. Miss Dunn primarily worked with MSU's women athletes.

Coed invades training room

The sanctuary of the athletic training room was breached last spring by Judy Dunn of Versailles, a summer graduate of MSU.

She was the only female enrolled in athletic training classes at MSU and, for laboratory experiences, served as a student trainer.

"I thought at first that other members of the staff would hassle me about being the only girl involved but they really were great," she said.

Miss Dunn, who worked primarily with MSU's women's teams, is considering a career as a professional trainer.

"I took a class in athletic injuries as an elective in my physical education major and I became quite interested in the field," she recalls.

Following that class and others in MSU's athletic program, she was assigned as a student trainer in womens sports.

"I would like very much to come back to school as a full-time member of the training staff and get more practical experience," she said.

The lady trainer is the daughter of Mr. and Mrs. Tillie Dunn Jr. of Versailles and is a graduate of Woodford County High School.

Gridders pick 3

Morehead State University's football team has elected tri-captains for the 1975 season.

They are senior defensive ends Joe Dillow of Flatwoods and Ray Graham of Danville and junior tight end Keith Mescher of Lebanon, Ohio.

Pre-Game Receptions

Pre-game receptions at the Alumni Center will resume Saturday, Sept. 27, at 6:30 p.m., one hour before the kickoff of the MSU-Middle Tennessee football game at Jayne Stadium.

All alumni and other friends of the University are welcome. Complimentary refreshments are provided by Pepsi Cola Bottling Co. of Ripley, Ohio, and Quality Vending Service of Richmond, Ky.

The receptions will be held before each home football and basketball game.

Gallaher gets doctorate

Christopher S. Gallaher, assistant professor of music at MSU, has earned a doctoral degree in music.

The degree was awarded by Indiana University. He also holds a master's from IU and a bachelor's from Morehead State.

Before joining the MSU faculty in 1972, Dr. Gallaher served as an assistant professor of music at Frostburg State College in Maryland.

The 34-year-old professor is a 1958 graduate of Ashland High School and has performed professionally with several artists and is touring this summer with Henry Mancini, Dionne Warwick and Johnny Mathis.

Dr. Gallaher is married to the former Linda Swearingen of West Union, Ohio. They have two children. Mrs. Gallaher also is an MSU graduate.

6 in Foster Story

Six persons connected with Morehead State University are involved in the annual summer production of "The Stephen Foster Story" June 14 through Aug. 31 at Bardstown.

Larry Keenan, assistant professor of music, is organist and associate musical director for the play. His wife, Jo-Anne, is assistant organist.

Appearing in the musical are Mike Bolden, Mayslick senior; Kenton Cooper, Ashland graduate student; Gary Halcombe, Bardstown graduate; and Bob Myers, Dover graduate.

IN THE FIELD . . . Orris Watson, associate professor of mining technology at Morehead State University, explains the construction and purpose of a silt dam to students at a strip mine in Carter County. MSU has two associate degree programs in the mining industry, mining technology, and reclamation technology. Both involve extensive field studies.

Music prof dies in crash

Miss Mary L. Albers, 30, assistant professor of music at MSU, was among four persons killed in late June in an automobile accident near Edmonton, Alberta, Canada.

A memorial scholarship in her name was established by the MSU Department of Music. Contributions should be directed to Dr. E.G. Fulbright.

A native of Milwaukee, Miss Albers held bachelor's and master's degrees from Indiana University. Her teaching areas were oboe and music theory. She joined the MSU faculty in 1969.

Survivors include her parents, Mr. and Mrs. H. E. Albers of Wauwatosa, Wisc.

Dr. Saxon and Holloway are MSU graduates.

Their biographies appear in a national awards volume, "Outstanding Educators of America," which was published this year by Fuller and Dees, Inc.

TO LAW SCHOOL . . . Eight Morehead State University Spring graduates have been admitted to Kentucky law schools. Seated are Pamela Todd of Madisonville and Janet Marcum of Burlington, Ky. Both are going to the University of Kentucky. Standing, from left, are Dr. Jack Bizzell, dean of MSU's Department of Political Science; Dr. R.H. Playforth, dean of the School of Social Sciences; Dexter A. Raburn of Lawton; Billy V. Pennington of Sandy Hook; James G. Fogle of Morehead; George K. McAlpin of Owingsville; Robert F. The were installed during the Alumni Awards Banquet. Marvin Rammelsberg of Cincinnati succeeded Custer Reynolds of Wilmore as alumni president and Row W. Cline of Lexington became president-elect. Don Young remains executive secretary-treasurer of the Association.

13,000 miles for a job?

Brad Fahrney traveled nearly 13,000 miles to get a job.

The Dayton, Ohio, graduate student at Morehead State University went to

Australia this spring to become a junior high school English teacher.

"People have been kidding me about going there because of economic conditions here," says Fahrney, "But actually that had nothing to do with it. I hope it will prove to be a great adventure."

Fahrney, who holds a bachelor's degree from MSU in journalism, is temporarily abandoning his pursuit of a master's in English to accept the 18-month contract.

"I won't know until I get there but they have assured me of an assignment in a city," said Fahrney, a graduate of Beavercreek High School near Dayton, Ohio.

He was among 300 other Americans flying to Melbourne. All were recruited to teach and had transportation costs paid by the Australian government.

Fahrney, who is single, admits the social possibilities influenced his decision. "Not having to learn a new language also helped me decide to give it a try," he added.

The new teacher is the son of Mr. and Mrs. Paul Fahrney, 100 South Barrymore Lane, Dayton, Ohio.

TOP FACULTY AWARD ... Dr. Charles M. Derrickson, dean of MSU's School of Applied Sciences and Technology, accepts the 1975 Distinguished Faculty Member Award from Dr. Louise Quinn, the 1974 recipient. The award is presented each year by the Alumni Association. Dr. Derrickson is a professor of agriculture. The University Farm on Ky. 377 recently was renamed in his honor.

FESTIVAL QUEEN . . . Gov. Julian Carroll crowns Sharon Goldsberry of Morehead State University as the 1975 Mountain Laurel Festival Queen. The 19-year-old coed from Chillicothe, Ohio, is an Army ROTC cadet at MSU. She earlier was named Homecoming Queen and Military Ball Queen. Miss Goldsberry, a recreation major, is the first MSU coed to win the Mountain Laurel crown at the annual Pineville festival. She is the daughter of Mr. and Mrs. James Goldsberry of Chillicothe.

SLEEPY TIME PAL . . . Seven-month-old Todd Grace snoozes while his dad, Roger Grace, Morehead senior at MSU, sets type for a sign in the MSU Print Shop.

CAMPUS COMEBACK . . . Miss Ella O. Wilkes, right, receives instruction from Charles Jenkins during an astrology course at Morehead State University. The 84-year-old Miss Wilkes retired from teaching at MSU in 1962 after 30 years in the classroom. She is continuing her education by taking periodic classes at MSU under the Caudill Fellowship Program which provides free tuition to persons 65 and older.

SALES PITCH . . . Morehead State University and the Department of the Army are partners in "Project Ahead," an enlistment plan which allows soldiers to work toward a college degree while on active duty. Billboards promoting the plan have been erected throughout the region served by MSU. All costs are borne by the Army.

SOLID GIFT . . . Alumni Director Don Young, left, and Chase Johnson, manager of Lexington Concrete Products, Inc., of Morehead, watch workmen pour concrete for the driveway and parking lot of the MSU Alumni Center. Johnson and the Lexington-based company donated nearly \$3,000 in materials to the project.
